ROTARY CLUB OF ROSWELL

Thursdays, 12:15 pm

President's Message

Our Future is Bright

Last Thursday we honored four special women, the recipients of the Tom Zachary and Power of One Scholarships. Full of hope and dreams, they are distinguished leaders living service above self within their schools and the community.

My heart was full as I listened to their plans. I thought of the unlimited opportunities and was grateful that Roswell Rotary could play a role in their future.

Rotary Opens Opportunities.

Soar high ladies!

This Week's Speaker

Governor Brian P. Kemp appointed Lynne Riley to serve as Georgia's first woman to hold the office of State Treasurer in May 2019. Lynne Riley currently serves on the Executive Committee of the National Association of State Auditors, Comptrollers and Treasurers (NASACT) and is Vice-Chair of the Legislative Committee of the National Association of State Treasurers (NAST). As Georgia's State Treasurer, Riley is the administrative officer and board member of the State Depository Board, the Georgia Higher Education Savings Plan Board and the Georgia ABLE Program Corporation board. Why Roswell's Rotarians are planning to donate blood

 **You might think** that Gate City Brewery offering a "Pint for a Pint," is why members, members' employees, friends and family would be quick to register for a time to donate blood. Donate a pint of blood, and receive a pint a coupon for Freedom Fighter or any other Gate City libation.

You might think that the COVID-19 test that is now part of the blood donation screening testing is why.

Ask Rev Kevin Head, Senior Pastor of First Baptist Roswell and the answer is, "The gift of life is precious. We are all grateful for this gift each day when we are able to get out of bed. But we also have the privilege to share the gift of life with another person. Every day, hundreds of people in our community find themselves desperately needing blood. The pint you donate just may be the gift of life that person needs. I hope you will take a few minutes out of your day to offer the gift of life to another person by donating a pint a blood. Blessings!"

Click here to reserve 60 minutes on Aug 27 to donate. For more information, contact [Hal Schlenger](#). Our thanks to Pat Rains and Michael Curling for their current and past help saving lives in our community.

Charity Spotlight

Blessings in a Backpack

Mission:

Blessings in a Backpack mobilizes communities, individuals and resources to provide food on the weekends for elementary school children across America who might otherwise go hungry.

Fast Facts:

- Founded in 2008 in Kentucky when a teacher observed that children at her school, who participated in the free or reduced meal program, were returning to school on Mondays tired, hungry and not ready to learn.
- Blessings in a Backpack serves 87,300 children in 1092 schools in 45 states. The North Atlanta office serves 196 children in 5 Roswell Schools and 1 Cobb County school.
- It takes as little as \$100 to feed an elementary school child in the Blessings in a Backpack program for an entire 38-week school year.
- More than 90,000 students in Fulton & Cobb Counties will leave school uncertain if they will have food to eat over the weekend.
- 100% of money raised to fund a school goes directly to feeding the children.
- Blessings in a Backpack has partnered to develop a multi-year national evaluation project that measures program impact. In the first year, the program reported the following impacts:
 - o 59% find it is easier to learn at school.
 - o 60% do not get in trouble as much.
 - o 78% feel cared for by their community.
 - o 71% feel they are helping their family.
 - o 60% report that their school attendance is better.
