President's Message

Serving A Need

Roswell Rotary was awarded a competitive district grant to provide an evidence based Zero Suicide Training Initiative to licensed professional counselors, psychologists, social workers and therapists. Working with WellStar's Behavioral Health Services, registration for the October 16th virtual webinar went live last Friday. Seating is limited to one hundred providers. Eighty registrations were received in twenty minutes. Within hours registration was closed, as every seat was filled. Suicide is the 10th leading cause of death both in Georgia and the United States. Those at risk are showing up for care at different access points in our community and yet very few providers are trained to identify, assess, and treat these patients with evidence-based care.

Thank you Wellstar for partnering with us to train those who ensure patient safety and who care for and treat suicidal patients. Together, we are making a difference.

This Week's Speaker

Avalon Economic Development

Mark Toro's passion lies in creating smarter built environments and healthier, happier places. He believes a thoughtfully designed place fosters a higher quality of life for its users, and as a new grandfather, he hopes his vision will result in a better tomorrow for our children and grandchildren. Whether through his relentless advocating for expanded transit and walkability, lending his expertise to rebuild one of Atlanta's most impoverished neighborhoods or developing award-winning mixed-use communities, Mark is constantly reimagining "place" by focusing on the street level energy and human experience. With the recent repositioning of Atlantic Station, development of Alpharetta's \$1 billion Avalon project and redevelopment of Colony Square, Mark continues to fearlessly lead the NAP Atlanta team through uncharted waters, where together they are developing a new generation of experience-driven commercial real estate.

Ever engaged in helping to shape the future of metro Atlanta, Mark currently chairs Midtown Alliance's Board of Directors and serves on the Boards of Woodruff Arts Center and City of Refuge, where he chairs the \$25 million "Shining the Light" capital campaign. An outspoken transit advocate, Mark was recently appointed to the Board of Directors of The ATL by Georgia's Lieutenant Governor. The newly formed authority will govern expansion of public transportation throughout the Atlanta region.

Mark attended Rutgers University, where he met his wife, Nancy. The Toros have two daughters and four grandchildren.

Meals on Wheels

We had a great response from our September Service Newsletter for Meals on Wheels volunteers. **The first training session is Oct. 13th.**

In case you missed, 7 MOW route out of the Roswell center that operate and deliver meals each weekday Monday-Friday. A typical route has anywhere from 4 to 8 stops, so you're delivering to 4 to 8 seniors, and lasts about 1.5 hours on average. The routes take place right before lunchtime, with most meals being picked up at the center between 10:00 and 11:00am each day.

Most volunteers, whether individuals or groups, sign up to do a route usually once per month.

If interested in delivering meals for this very important program contact Mary Trapp marytrapp@kw.com 770-645-1320

Sat. Oct. 17th/9:00 AM

Digging In the Dirt

Grab your gloves, pruning sheers and spray canisters as we give the Heart of Roswell Park some landscaping love. Located on Canton Street, directly across from Rockin Taco, the park is one of the first seen by visitors to Roswell. Working with the Historic Roswell Beautification Committee, we will prune, spray and spread straw to return the park to its natural beauty.

Adopt A Platoon

Defending Our Freedom

Thanks to Alicia, we have identified 14 local sailors who are deployed on the USS Nimitz in the Persian Gulf, the USS Dwight D. Eisenhower in the Red Sea and USS Ronald Regan in the South China Sea. The Nimitz operates and trains alongside regional and coalition partners, and provides naval aviation support to Operation Inherent Resolve. The Ronald Regan conducts maritime air defense operations in support of a free and open Indo-Pacific. The Dwight D. Eisenhower provides a wide range of flexible mission capabilities, including maritime security operations, expeditionary power projection, crisis response, counter-terrorism, and security cooperation.

From October 1st through Nov. 5th, we will collect supplies to ship 150 goodie boxes to both ships. Boxes will be packed as part of our Veterans Day program AT OUR NOVEMBER 5TH MEETING.

[Click here for the list of needed supplies](#). Reach out to Ralph Rowland @ rffrowland@yahoo.com or 404-641-5671 with questions. Share the list with family and friends. This is YOUR chance to support those who are providing regional stability and freedom of the seas.
