#### President's Message December

December being the last month of the year cannot help but make us think of what is to come. I reflect on how our lives have changed. We removed obstacles, found new ways to connect, and embraced new approaches to service. As we have made it to the end of the year, think positive because thoughts are like the steering wheel that moves our life in the right direction. Cheers to a beautiful holiday season and all good things to come!
