President's Message

Like-Minded, Same Passion, One Goal

I hope you were able to attend last weeks meeting where our new Mayor Wilson discussed the hard work our government leadership has done in the first 100 days of Kurt's term in office. It appears that the city council, the mayor and his staff all have the same passion and goal to make Roswell THE best place to live in American. Thank you Mayor Wilson.

Tonight (Tuesday of this week), we will be inducting 16 new members into our club through the Roswell Rotary After Hours club. The energy of this group is contagious and I can safely say we have lowered the average age of our club overnight! This group meets every first and third Tuesday of the month at the Artillery room. Come introduce yourself to our new members!
