President's Message

Making a significant impact in Behavioral Health.

This week we heard once again from our friends from WellStar about the effects of the COVID pandemic on our school-aged children and the growing need to address our behavioral health issues within our community and beyond. Our community impact project will exercise the power of Rotary together with the WellStar organization in a three-phased project. 1. Develop a series of podcasts highlighting students' and parents' voices in our community. 2. Develop a series of videos utilizing the same format but expanding the power of visuals to attract more attention to our target market. 3. Leverage our findings at WellStar by branding the new emergency family waiting room the "Roswell Rotary Room."

This project offers us, as Rotarians, the opportunity to become change makers by participating in the audio-visual projects, joining the outreach team introducing the tools at our local schools, churches, and NGO's in our community, and lastly, by attending the grand opening celebration. Together, we, as Rotarians, can save lives within our community. I encourage you to ask a board member or call me and ask how you can become a game changer in behavioral health.

RRC & RAH- Please help out on Saturday May 14

Can you help?

Calling on Roswell Rotary and After Hours Club members: The Drake House has a Graduate who needs help moving into their own new place on Sat, May 14th. Can you help? Please reach out to John Greaves jgreavesat@gmail.com to learn more. Targeting to have 10 people help this family move into their own place.

Details: She will box up as much as she can and secure the truck. **Our job?** Show up to help with the packing, schlepping and muscle to move bigger items into the truck and out at the new apartment. Then we'll need assistance putting beds and dressers together, curtain rods, general unpacking at the new house.

What to Bring: Please also tell John what items you can bring with you: Cases of Bottled Water, Gloves, Cleaning Rags, Hand Trucks, Hand Tools (hammer, scissors, box cutters, etc.), Wrapping/Newspaper, Extra Boxes, Broom Dust Pan, etc.

Target time: 9am on Sat, May 14th. This will be confirmed later this week once the truck is confirmed.

Such a great testimony to The Drake House program when a graduate moves into their own apartment! And such a powerful opportunity for Rotary to serve!

Tue, May 17: Business Networking Rotary-Style continues

Smarter Biz Dev because it's with Fellow Rotarians (District Event)

This is an opportunity for you or someone on your staff who needs to network and generate revenue, or someone you are interested in recruiting to Roswell Rotary that needs to network with Rotarians:

This is networking with people who have the integrity of the 4 Way Test! This is why Paul Harris formed Rotary for 1905. Professionals with diverse backgrounds could exchange ideas, form meaningful, lifelong friendships, and conduct business together.

Our last gathering again drew a crowd from the Atlanta Metro, Dunwoody, Peachtree City, Roswell, Sandy Springs and Tucker clubs.

While Rotary is about "Service Above Self," there is a growing place for networking in Rotary, particularly for those responsible for generating revenue.

Location: 5 Minutes inside 285 and Ashford-Dunwoody Rd

Marlow's Tavern
Brookleigh Market Place
3575 Durden Dr NE #301, Atlanta, GA 30319

Please plan to join us on **Tue, Jun 21 at 6:30pm.**

For more information, please contact Hal Schlenger
HSchlenger@GreatSouthBenefits.com | (770-335-0077), or Johnathan Clark of the Tucker Club (johnathanmclark@gmail.com | 404.512.6058).
