Huskies and Summer Surfing, Oh My! President's Message July 21

We are in full Golf and Tennis planning mode now. Every week in our Rotascope you can learn about one of the many charities we support through the proceeds of the tournaments. Our program this week features two of these organizations. Come hear how we help support the Huskies at Crabapple Middle School and enjoy a special treat from Georgia Ensemble Theater's singing sensation Summer Surf Party. Also this week we will receive an update about the rollout of our Grace Period international project in Zimbabwe. It's sure to be a fun, informative meeting for all.

RRC Makes a Difference Program July 21-Huskies and Summer Surfing

MISSION: To help anyone in the Crabapple Middle School Community with lodging or food needs. Some background on this program from Becky Nelson: "Huskies Helping Huskies started in November, 2015 when the national Shop with a Cop program stopped funding middle school students for their trip to purchase \$100 worth of Holiday gifts for themselves with a police officer escort. They had to cancel due to lack of funding. Linda Porter smiled when I walked in the office that day (for our girls were students at CMS) and asked if I could help the school counselor create a new event. I knew, with the help of Roswell Rotary, I could....

And more from Thursday's Program: Be looking for a cool surprise from Georgia Ensemble Theater with a little Summer Surfing entertainment!

After Hours Hosts "Bring Your Own Board" Night

After Hours hosted a social event Thursday: BYOB! No, that's not "Bring Your Own Beer," but beer was enjoyed. This BYOB was "Bring Your Own Board!" Several members used their creativity to set up food items on a fancy display. Think charcuterie, but way better! Yummy boards included a Mexican board, veggie board, chicken nugget board and chocolate-covered pretzel board. Members John Connell and Brooke Foxman live at a sweet spot at The Battery, so we enjoyed views of Truist Park while snacking, laughing and planning future projects!
