President John's Message

This week we have the special privilege to hear from Past Rotary International President John Germ about The Rotary Foundation and Rotary's campaign to end Polio throughout the world. The Rotary Foundation was founded over 100 years ago at the RI Convention in Atlanta in 1917. Since it was founded, the Foundation has spent more than \$4 billion on life-changing, sustainable projects.

The Rotary Foundation's mission is to help Rotary members advance world understanding, goodwill, and peace by improving health, providing quality education, improving the environment, and alleviating poverty. What impact do our donations have?

- For as little as 60 cents, a child can be protected from polio.
- \$50 can provide clean water to help fight waterborne illness.
- \$500 can launch an anti-bullying campaign and create a safe environment for children.

This week, we will recognize Rotarians who have reached their first Paul Harris Fellow giving level and others who reach a Paul Harris+ level. We still have a special matching opportunity for a one for one match of your donations to the Rotary Foundation through December. If you have questions about the matching funds or how to get to your first or next level of giving, contact our Foundation Chair, Leslie Bassett.

Did you know... about one in five kids will naturally need glasses to see the board, read a book,

or participate in class. Unfortunately, in underserved communities across the country, 95% of

kids who need glasses, about 2,000,000 in total, do not have them. What chance does each of

these children have to succeed in school, let alone break free from poverty? Vision To Learn

was founded to make sure every child has the glasses he or she needs to succeed in school and

in life. Its mobile clinics solve the problem by bringing eye exams and glasses, free of charge, to

children at schools in underserved communities.

After Hours Learns about Be THE Voice

It's cool to be kind! Roswell Rotary's own Debbie Cwalina and Executive Director of Be THE Voice was the RRAH guest speaker last week! The club loved hearing about her

organization's mission and watching a few videos from the Be THE Voice program. After Hours' two main focus areas are veterans and mental health, so it was informative to learn about an initiative that addresses students' mental health struggles.
