New Member Spotlight: Kadijah Vickers

So excited to welcome Kadijah to Rowan Rotary Club. Her's a little bit about Kadijah in case you are one of the few members who have not already met her. Whether at Thursday meetings or at The Vix or out in the community, Kadijah may already be a familiar face.

Spouse: Husband George Schmees, who is the Executive Chef & Food and Beverage Director of the Wynn Hotel Downtown. George is also club partner with Kadijah at The Vix on Carter and works her in the Food and Beverage department.

Every Bachelor/The Week: After the model parents broke, sleeping home maintaining life as just a small consulting business, Kallie decided to use her father's inheritance after his passing to step out on her own and start her new business. During the search for a property through a website called "World Resources.com," she found the listing that was at the heart portion of The Widows' Apartment complex. Being that her last name was Williams, she had no choice but to be present in that apartment, making purchases and purchase and restore the businesses.

Where: Roswell Middle School

Okay...so we've come back from the beach and a day of fun and relaxing and it's time to go to our first meeting late Friday afternoon. All the clubs line up to parade past the district governor. Russell Rotary marched many years ago when we showed up in our Red Parrot shirts. Since then, clubs dress to the GC's theme for the conference. Last year it was Mary Poppins. This year it's "Green Acres". Russell Rotary always has its own take on the theme, for sure! Are we hayrides from the 70's TV show like everyone else? Overalls over parrot shirts? Or little "green" aliens from Russell, ~~Waukegan~~ (hope!) Georgia? Green What?? We need some creative to conjure up a true Russell Rotary parade theme.

Registration fees increase on March 1. Make your reservations today! [Registration and Accommodations Link](#)

President John's Message

We have witnessed at Roswell Rotary the Power of One many, many times, such as...

- Dave McCleary learning about Human Trafficking at a church conference transforming him into a Rotary International leader seeking to End Human Trafficking.
- Debbie Cwalina focused on the plight of bullying leading her and Michael Schoppenhorst to start Be The Voice at Roswell High.
- Mike Nielsen hearing about Honor Flights from his father-in-law leading to 11 Honor Air trips to Washington, DC carrying veterans to visit their war memorials.

So, it is with our speaker this week, our own Zach Fields, who ten years ago took the concept of starting a high school construction program to the Principal at Roswell High and began a movement in the State of Georgia to help high school kids earn certificates in construction trades while in high school. These kids graduate with the skills and qualifications that lead to high paying jobs in a construction industry in desperate need of new, young, skilled workers.

It's about Leadership and this week we are hosting many future leaders who join us for our annual Leadership 20/20 day.

CONNECT WITH US

LEADERSHIP

President John Carruth

Leadership 20/20 in 2023 is a 20+ year collaborative tradition. Each teacher at RHS nominates a student that demonstrates leadership qualities in their classroom. This is personally a favorite for this nomination is not dependent on athletics, academics nor the arts. We get to host a wide scope of the RHS student body for the full day where these students will learn what type of leader they are (due to the DISC test) and, therefore, how to work with other types of leaders. The afternoon is filled with breakout sessions centered around living a life of service whether an entrepreneur, a professional in the non-profit, military or for-profit sector after high school.

For the last 5 years, our own Zach Fields was the favorite portion per the student surveys. So, we are excited to have him be the featured speaker for the general meeting! How he went from high school student to being responsible for reintroducing construction programs in high schools through out Georgia (and beyond).

New Member Spotlight: Kadijah Vickers

So excited to welcome Kadijah to Roswell Rotary Club. Here's a little bit about Kadijah in case you are one of the few members who have not already met her. Whether at Thursday meetings or at The Vick or out in the community, Kadijah may already be a familiar face!

Growing Up: Kadijah Jordana Vickers born in Tampa Florida to parents Sylvia & Kenneth Vickers both natives of Florida.

Spouse: Husband George Schnepf, who is the Executive Chef & Food and Beverage Directory of the Westin Hotel Buckhead. George is also a silent partner with Kadijah at The Vick on Canton and assists her in the Food and Beverage department.

Children: She is the mother of two children, daughter Keyana Crumby who is attending the University of West Georgia majoring in Biology, and son, Joel Ramsey, a rising Junior at North Springs High School.

Story Behind THE VICK: After the covid pandemic hiatus, staying home maintaining life on just a small catering business, Kadijah decided to use her father's inheritance, after his passing to step out on faith and start her own business. During the search for a property through a website called "We sell Restaurants.com" she found the listing that sat in the retail portion of The Vickers Apartment complex. Being that her last name is Vickers she had no choice but to be present in that serendipity moment and purchase and restore the business to what is now The Vick On Canton "Koffee and Kocktails".

Why you joined Rotary: My purpose in life is to serve. As the owner of a local restaurant in Roswell and a mother of two, I do my share of service in the community. Now that my children are older, I would like to take my works of service global. During my visits to the weekly Rotary meetings and through conversations with my sponsorship committee I know that Roswell Rotary would be perfect for me to expand on my acts of service. I just can't wait to get involved and become active.

Welcome to the Roswell Rotary Club, Kadijah!
