WORDS OF WISDOM
 The responsibility which I carry about the world and everyone of us
 is to be a good person. It is not my responsibility to be a good person.
 I am not a good person. I am a person who is trying to be a good person.
 I am not a good person. I am a person who is trying to be a good person.

United Way Engagement Director, Aliza Gevartz to speak on Child Well-Being

Aliza Gevartz, MA currently serves as Director of Engagement for United Way of Greater Atlanta. Informally, you might understand her role as a “Dot Connector.” The value she brings means nonprofit organizations successfully collaborate with each other as well as with the business, faith-based, and government communities. These cross-sector relationships make up the ecosystem that supports individuals, families, and communities in need.

Aliza’s experience includes 20+ years in Nonprofits. Aliza was a Disaster Program Manager for Red Cross, managing the entire life cycle of over 100 volunteers; Manager for a full-service basic needs facility; Fundraising Manager for Boys & Girls Club and the Girl Scouts and served in several city and county government settings where her roles focused on policy and economic development.

A bit of a domestic nomad, Aliza has lived in Chicago IL, Los Angeles CA, St. Paul MN, Charlotte NC, and now Lawrenceville GA with her husband Ed. She is Mom to a 30-year-old awesome human living in San Francisco, and a 3-year-old Chug puppy. All three enjoy kayaking and are Twins baseball fans.

Our Rotary Family

DGE Gordon Owens came home from the Rotary International Assembly with a couple extra bags filled with earbuds. At IA, many of the sessions are lead in a foreign language so everyone uses a translation device with earbuds. Those earbuds typically end up in the trash. Tonight, **Tuesday, March 5 at 6:30** the After Hours club will sanitize and repackage hundreds of pairs of earbuds. These will ultimately end up in the hands of students who are issued a learning device by their public school but can't afford their own earbuds. It may sound like a trivial problem, but when a student can't engage with their learning free from the distractions of a crowded room it can have a significant impact on their comprehension. Join us for this fun project, rumor is Gordon will be there with an open tab! See you at The Artillery Room!

RIVERKEEPER®**

The Annual "Sweep the Hooch" is On! March 23, 2024 - 9am to 12pm. This is a joint event sponsored by the Chattahoochee Riverkeeper and supported through Roswell Rotary, Trout Unlimited, Keep North Fulton Beautiful and several other organizations. In 2023, Sweep the Hooch set record-breaking totals again! With almost 1,400 volunteers, we removed a total of 32 TONS of trash from 64 cleanup sites throughout our watershed. We need Walkers, Waders and Floaters to clean up the "Hooch" along Riverside Road, including the trails, the riverbank and possibly the islands.
