President Nancy's Message

Bruce Smith- Elwyn Gaissert Service Above Self Award

Club of the Year

I am thrilled that Roswell Rotary was named Club of the Year for our district – a recognition that reflects the incredible dedication, passion, and hard work of each and every member of our club. This honor is a testament to the powerful impact we’ve made in our community and around the world through service, fellowship, and leadership.

This past year, Roswell Rotary has led with heart and action. From building ADA-accessible picnic tables with the Chattahoochee Nature Center to launching new Interact Clubs, supporting literacy with KBeam reading wands, and packaging Santa Baskets for seniors—we’ve put Service Above Self in a big way. We’ve grown stronger by welcoming new members, revitalizing our public image, and deepening our commitment to mental health, youth, and international service.

While this recognition is a proud moment, **our work is not done.** Let’s finish this Rotary year with the same energy, creativity, and compassion that earned us this award. Every service project, every event, and every meeting is a chance to make a difference and live our Rotary values.

Thank you, Roswell Rotarians, for making this year extraordinary. Let’s keep the momentum going and finish strong—**because when Roswell Rotary leads, communities thrive.**

Get involved, bring a friend, and let’s keep changing the world together.

Congratulations to Bruce Smith - Elwyn Gaissert Service Above Self Award Winner!

Please join us in congratulating **Bruce Smith**, the well-deserving recipient of this year’s **Elwyn Gaissert Service Above Self Award**. Bruce exemplifies the true spirit of Rotary through his unwavering dedication, quiet leadership, and tireless service to others. Whether he’s working behind the scenes or stepping up to lead a project, Bruce does it all with humility and heart.

This Week's Speaker: Gregor Baum

Join us this Thursday as we welcome Gregor Baum, who will share his personal journey with mental health and how it inspired him to write a children's book on the topic. Gregor's powerful story and commitment to breaking the stigma around mental health—especially for young people—promise to make this a meaningful and thought-provoking presentation.

Speaker: Gregor Baum-The Inner Journey

After traveling across the pond to compete on a tennis scholarship in North Carolina, Gregor Baum's athletic career was abruptly ended with an injury.

Far away from his home of Germany, Baum was chasing the "American Dream" when he came to Rocky Mount in 2021 to play alongside fellow students of North Carolina Wesleyan University. His story ever since took several turns—all of which led him to a reinvented version of that dream.

He experienced a career-ending injury, and Baum went through a time of serious depression. Seeking help and a path forward, he said he worked with a counselor which led to a new practice of journaling as a means to process the disappointment and shattered dream.

What started as a distraction for Baum in a difficult time turned into public speaking and community service interests. His travels through a student exchange program of Rotary International led him to Mexico and sparked an interest in him to create a student Rotaract Club on campus at N.C. Wesleyan University. The aim of the club was "to create a space where students could share the common challenges of college life, especially when faced with unexpected setbacks," according to a release from Rotary Club of Crabtree.

"Through Rotary, I found a way to transform my pain into purpose," Baum said. "What began as a Rotary exchange program in Mexico has evolved into a lifelong mission of service, mental health awareness, and the promotion of resilience. Rotary has not only

changed my life but also provides me with the chance to uplift others, proving that through service, we can indeed change the world, one person at a time."

Please invite a friend and come to lunch on Thursday to hear Gregor's extraordinary story of tragedy and hope and purpose.

New member Spotlight: Peter Saddler

The graphic features a blue background with a red circular shape on the right. In the top left, it says "Rotary Club of Roswell" with the Rotary logo. A yellow oval in the top right says "Welcome New Member!". A photo of Peter Saddler is on the left. To the right of the photo, his name "Peter Saddler" is written in large white letters, followed by his titles: "Speaker, Coach, Marketing Strategist, Founder, ItsNotTooLate, Amazing Clutch Volunteer". Below this is a quote: "I plan to leverage my sales, marketing and production skills to help Roswell Rotary Club." At the bottom, it says "Make Peter feel welcome. Can't wait to see his impact!"

Peter brings more than 30 years of sales and marketing expertise, providing enterprise, I.T. solutions to businesses and the American dream to consumers.

Navigating through the labyrinth of his own life lessons, he felt compelled to start a transformational coaching company, dedicated to co-partnering with people, to help them overcome fear, self-doubt and other barriers. Empowering people to achieve higher levels of leadership, a greater sense of accomplishment and deeper levels of fulfillment - is his purpose.

As he's been known to say, "great coaching is like sex. It's better to experience it, than to talk about it!"

Peter's previous involvement in charitable and community service projects included instructing "chair dancing" classes to the memory care side of Senior living facilities. He also served in leadership at a Ministry in Gainesville, performing various community projects including food banking and distribution to the homeless.

He has four incredible daughters - one a recent grad from Georgia Tech, another recent grad from Georgia State, a senior at Mercer and a MPH from Emory.

"I plan to leverage my sales, marketing and production skills to help Roswell Rotary Club."

"I joined Roswell Rotary Club to serve and make a positive impact and a measurable difference in the lives of the residents of Roswell, the city of Atlanta and beyond our borders!"
