President's Message

Leadership, Legacy, and the Coaches Who Built Both

“A life is not important except in the impact it has on other lives.”— Jackie Robinson

Roswell is a city rich in tradition, and nowhere is that more evident than on a Friday night under the lights. But this week at Roswell Rotary, we bring the gridiron to the stage.

At this week’s meeting, we have the honor of welcoming five legendary Roswell High School football coaches to our club—Ray Manus, Tim McFarlin, John Coen, Pete Poulos, and Wayne Smith. These men are more than coaches. They are mentors, motivators, and master builders of character and community. Between them, they’ve shaped generations of young men and women, built championship programs, and earned the respect of a town that knows what true leadership looks like.

Coach Ray Manus, the namesake of the very field where so many Roswell victories have played out, is a cornerstone of Hornet history. **Tim McFarlin** brought home a state championship and taught discipline through excellence. **John Coen**’s hall of fame career built a legacy led with heart and humility with compassion for his students. **Pete Poulos**’ hard-nosed perseverance influenced players long after the final whistle. And **Wayne Smith**’s commitment to football and wrestling built character and left a permanent mark on the programs. Together, they represent decades of coaching brilliance and a collective influence that goes well beyond the scoreboard.

Their presence reminds us that leadership is not just about titles or wins. It’s about legacy—the kind that comes from showing up every day with integrity, investing in others, and leaving things better than you found them. Great coaches, like great Rotarians, understand that their success is measured not only in trophies but in the lives

they impact.

“A coach will impact more young people in a year than the average person does in a lifetime.” — Billy Graham

As Rotarians, we, too, are called to that same kind of leadership. Whether we're organizing a tournament, mentoring a student, or funding a local project, we are planting seeds that will grow into something far greater than ourselves. The coaches on our stage this week didn't just lead teams—they built a culture. And that's what Rotary does at its best. We lead with vision, we serve with heart, and we build legacies that stand the test of time.

This week's program is not just for football fans—it's for anyone who values commitment, mentorship, and the power of investing in others. It's a reminder that the principles that make a great coach are the same principles that make a great Rotarian: humility, service, consistency, and love of community.

Let's pack the room this Thursday and show our appreciation not only for the wins these men brought to the field—but for the values they instilled in our community. Bring a guest, bring your stories, and bring your gratitude.

“A good coach can change a game. A great coach can change a life.”— John Wooden

Leadership and legacy. Let's celebrate both.

Roswell Rotary Board Spotlight
Katie Tucker-Board Secretary

ROTARY SPOTLIGHT 2025-2026 BOARD

Prior to marrying Greg Anderson, Katie had ten years of being her girls' proud mom, Katie Tucker underwrote commercial real estate loans for Regions Bank. She is now a loan officer for E Home Loan Advisors, a small company based here in Roswell.

Family consists of their 3 daughters, Mary Katherine (senior at Roswell HS planning to attend Kent State University next year to play lacrosse); Annalee (junior at Roswell HS) and Carolina (8th grader at Crabapple Middle School); 2 stepsons, Brady (a recent Florida State grad) and Austin (a sophomore at East Tennessee State).

An inveterate reader, mainly non-fiction and self-help, Katie graduated UGA with a BBS in International Business. Leadership activities consisted of roles in her sorority Kappa Delta, the Greek system, campus life and in the Athens community.

Joining Roswell Rotary in 2019, Katie's Board service began as Membership Chair, followed by Social Chair, Treasurer, and now as Secretary during her sponsor Trummie Lee's Presidency.

Ironic Facts: With three sprint triathlons to her credit, athletic Katie grew up in East Cobb, where she played tennis alongside her three younger brothers at Lassiter High School. She met husband, Greg, a Florida State alum and tennis player, while playing tennis! However, given all that nurturing advantage, none of their children has adopted the sport!

Hagan Cup Expands 2025

Tennis & Pickleball Focus

Hagan Tennis Classic Adds Pickleball!

Seeing a need for a community fundraiser, Roswell Rotarians Frank Brown, Judge Maurice Hilliard and former Mayor of Roswell Aubrey Greenway began a golf tournament in 1978.

In 2013, the Hagan Cup Classic tennis tournament was added to the fundraiser. It was named after Bob Hagan, in honor of his service to the community and his deep commitment to Rotary's motto of Service Above Self. Today, the tennis and golf tournaments continue to support the charities in North Fulton communities and generate over \$300,000 a year. The tournament attracts large and small business sponsors as well as individuals in North Fulton looking to make a difference in the areas in which they live and do business.

New for 2025, the Hagan Cup Classic is adding Pickleball with the introduction of the Trummie Lee Patrick Sr. Pickleball Tournament in memory of our beloved club past president. We are excited to add this popular and fun racket sport to the Hagan Cup Classic!

Past President Nancy Alterman is the Committee Chair for 2025 G&T Tournament Volunteers. As this Energizer Bunny will tell you, nothing is more rewarding than volunteering for the G&T Tournament! You will meet people, have fun socializing with the players, sponsors, and your fellow Rotarians, and you will also build relationships on a deeper and entirely different level! You might be the person who saves the day by running to buy more beer when we get low. Or the volunteer carrying bags of ice to coolers to make sure everyone is hydrated on the course. You could be part of the team hanging up banners and prepping for the event. Or one of the very important take down team who sticks to it and helps to put everything away for next year even though you are worn out and exhausted from a full day.

There is something for everyone, so please look over this sign up genius and volunteer for a slot (or more).

Message from Huskies Helping Huskies (HHH) Leadership, Tamika Bond & Kristi Glickman:

Thank you, Roswell Rotary Club, for the 42 stuffed backpacks you provided to our Crabapple Middle School students in need. This backpack is not just filled with the required & requested school supplies, but also community love, support, and awareness too. This pack gives our students who struggle to get to/from the store or those who may not have the budget for all of the required supplies the confidence to start the 2025-26 school year strong. Attendance & Attention are the key factors to not only learning but also fully living in the chaotic middle school years.

We thank you who purchased the items, stuffed the supplies and transported the completed backpacks. We extend our heartfelt gratitude to **Rabbi Alex Shuval-Weiner, Priya Crumpton, Darrell Bartlett and Becky Nelson.**
