

## President's Message

### Alive in Roswell!

Last week was this seasons first Alive in Roswell, and Roswell Rotarian's showed up in numbers! Mickey Deaton and crew served up food and beverages to many of our seasoned veterans as well as a big group from our new Roswell Rotary After Hours club (RRAH). The blending of the new young professionals with our more "experienced" Rotarians was fun to watch.

RRAH President Leigh engaged in a conversation with one of our Rotarian supporters of the the Unity Garden at the Chattahoochee Nature Center, and set plans to join forces in managing the vegetable garden with all of the proceeds going to our local charities. It's great to be a Rotarian!

This week we head down to Destin Florida for our annual District Conference for comradery with other Rotarians around the district celebrating the past Rotary year and to welcome in our new leadership. If you haven't signed up, its not to late to join our "Spring Break for Adults"! For those who cant make it down to Destin, not to worry, you are in good hands for our Thursday lunch meeting as Past President Jacque Digieso will be ringing the bell.

## After Hours Club Update

# Vision Boarding for New Satellite Club

### Recap April 19 Meeting

Our After Hours club had a wonderful meeting Tuesday! We started by going through old magazines to find words, phrases and pictures to cut out and put on our “vision board.” The vision board showcases our hopes, ideas and dreams for the club.

We then went around the room and each person talked about what charities and missions are near and dear to their heart. It was a great way to get to know fellow members, and everyone left feeling inspired and excited! Check out our final vision board above! Next meetings are May 3 and May 17 at 6:30pm at the Artillery Room @Gate City!

*"Fulton County is a big deal! It is my honor to serve more than one million residents in this great county." Chairman Pitts*

We are honored to have Chairman Rob Pitts speak to our club on Thursday. A businessman and former college professor, Rob is also very active in a variety of community programs. A native of Haddock, Georgia, Robb and his wife, Fran, have one daughter. Looking forward to hearing from this huge Fulton County icon. For more about Chairman Pitts, [Click here.](#)
