

Program Oct. 27- All about Roswell's Food Scene

Remember ordering food online and picking up curbside, many for the first time, two and half years ago when were locked down and couldn't go out to eat like we used to do. Restaurants were laying off staff and struggling to keep their doors opened. Ryan Pernice came to our temporary home at the Holiday Inn and spoke to our club about the impact that the COVID-19 pandemic had on his restaurants and the restaurant industry in general.

Fast forward two years later - how is the restaurant industry faring? Are restaurants back in full swing post-COVID? What are the biggest challenges faced in today's economic environment? How has technology like Door Dash or Uber Eats impacted the business? What does the future hold?

This week we will hear from three local veterans of the food industry whose businesses survived the pandemic in a panel discussion moderated by our own Gordon Owens.

- Ryan Pernice - Table & Main, Osteria Mattone & Casa Robles
- Ted Lescher - Lucky's Burger & Brew
- Andrew Brackner - Talk of the Town Catering

Past President Moment - Allen (A.D.) Dalton 1999-2000

Remember Y2K? Everyone was panicked about what would happen to our computer systems when the year 2000 rolled in on January 1.

The other Rotary clubs in District 6900 should have been worried about Roswell Rotary as we started a string of Club of the Years that haven't ended.

Our President was A.D. Dalton in 1999-2000. Please hear what else happened in A.D.'s year of leadership of Roswell Rotary.
