

The Magic of Rotary

Rotary Is A Family Sport

By Gordon Owens

During the conference weekend we hosted a special dinner for our club presidents and district leaders. None of our leaders do it alone, our members certainly support us along the way, but often, it's the family that really pitches in to help. One of the things Ashely and I love about Rotary is that family is not just included but encouraged. The family of Rotary has welcomed us with open arms all across our district this year. However, it has been especially nice to share this journey with our real life family. George Stewart, Ashley's dad, is a long time member of the Dunwoody Rotary Club and he and his wife Amy have supported us every step along the way. I was able to pull off a nice surprise for Ashley and the Stewart family, by creating the *Jane Stewart Memorial Fund* in honor of George's mom and our "Grandma" as a way to thank them for all they have done to encourage and support me during the last three & half years serving in the governor line. Thanks again Stewart family!

Thank You From Georgia Rotary!

By Gordon Owens
On behalf of DG Bobby from 6910, DG Todd from 6920 and me, we want to extend our sincere thanks to all of the hard work that went on behind the scenes to make the magic of the first-ever Georgia Rotary District Conference happen. Carol Colón who used to be in the Fayetteville Club in our district but has since moved to D6910, served as our overall conference chair and had the tough task of helping us blend all of our traditions and crazy ideas into one spectacular event. Ryan Clements helped us manage the show from the A/V desk, Elwyn Gaissert served as Sgt. at Arms, Mandy Timmons handled decor & public image and Becky Stone organized the tailgate party. There were countless other volunteers that helped manage registration, served as referees or helped setup/breakdown to make sure everything went off without a hitch. We have received nothing but rave reviews and we look forward to the next Georgia Rotary event to bring our new friends together soon. Thanks again! [more]

Check Out All The Fun We Had

By Ryan Clements
This year at conference we used a Kululu Photo Wall to allow all the attendees to upload photos at anytime during the event to share with our group. We had TVs in the Hall of Friendship that always displayed the action and open each session with the latest pics.
The **Georgia United DC photo wall** will remain live for the next year, so feel free to check it out and download your favorite pictures. We also selected a ton of great pictures that capture the weekend and put them in a **video slide show** on our YouTube Channel. It was a great weekend and I enjoyed being a part of the team that made the A/V magic happen.

Club of The Year Winners

By Gordon Owens
This year we made the Club of the Year awards more transparent and published a **scoreboard** that any member could access at any time to see how their club's stats compared to others in their category. We set a finish line of March, 31, 2025 and at that point, we checked the stats to select the winners. Congratulations to our clubs that lead the way in giving more, growing more and doing more:

• Category I | Meriwether County | North Atlanta (runner up)
• Category II | North Fulton | Vinings Cumberland (runner up)
• Category III | Dunwoody | Decatur (runner up)
• Category IV | Peachtree City (tie) | Roswell (tie)

Sheffield Leadership Class of 2025

By Gordon Owens

This may be the single hardest task a governor in our district has. We have 67 clubs that do amazing work in their communities that are all led by great Rotarians. So, picking just one person in each category takes a lot of careful consideration. While the scoreboard drives the decision on which clubs will win Club of the Year and is based on numerical stats, the Sheffield Leadership Award has much more to do with an individual effort in setting a club up for success today and carry that club well into the future.

Congratulations to this year's class of club presidents honored with the Sheffield Leadership award:

• Category I | Rick Perry, Henry County
• Category II | Rick Clark, North Fulton
• Category III | Dudley Larus, Decatur
• Category IV | Nancy Alterman, Roswell

Rotarian of the Year

Our District MVP, Mary Ligon!

By Gordon Owens

Having a great season takes a ton of hard work and preparation. Your club presidents started to get into game shape in July of 2023, a full year before they became the captain of the team. While it was my job to give them the playbook to make their clubs irresistible and to help them show their communities the Magic of Rotary, it was our MVP's job to prepare me to lead. The journey from District Governor Nominee Designate to serving as District Governor is two and a half years and Mary was in my corner every step along the way.

From helping me draft a team of district leaders to planning all the events that went into getting our clubs ready for the 2024-2025 Rotary season, she was there. When it came time to make improvements to our processes to make life easier for our club presidents, she was a great sounding board. And on the occasion we had to throw a penalty flag, her knowledge of Rotary policy & procedure was invaluable.

Probably her most important role is that of Momma, as she is who PDG André and I call when we get into a sibling squabble. Congratulations to my dear friend, mentor and our Rotary District 6900 Rotarian of the Year, my MVP, Mary Ligon. [more]

Follow Me Award To Cedric Hill

By Gordon Owens

Cedric Hill has been a standout Assistant Governor throughout this Rotary year. During PETS he worked on brining the Atlanta Southern Crescent, Columbus, Muskogee Columbus, & North Columbus clubs together to work on projects and have a bigger impact in the community than any one club could achieve on its own. The three Columbus clubs, hosted one of our 3-day law enforcement trainings for ending human trafficking, taking great care of the various agencies in attendance. Cedric never misses an opportunity to show up and support his clubs in their service projects or make a connection across town to expand the impact Rotary has in the area. I look forward to seeing how Cedric continues to bring this area together to support his real passion for service, helping youth create peace through his Cure Violence program.

Congratulations to Cedric Hill for being named this year's Follow Me award winner.

By Bob Hagan

It was my pleasure to present Kay Williamson with the Certificate For Meritorious Service from The Rotary Foundation. It was extra special to have Vice Chairman of The Rotary Foundation, Larry Lunsford, on hand to help me present the award to Kay during a special dinner for club and district leadership at our Georgia United District Conference. Kay, a long time & active member of the Meriwether County Rotary Club, has worked tirelessly to make sure our clubs take full advantage of our district grant funding and all the appropriate documentation is maintained. Kay is a key member of our district foundation team, please join me in congratulating her in this prestigious award.

Membership Hall of Fame

46 New Members In 3 Years

By Audley Knight

As the incoming District Membership Chair, I have big shoes to fill. Our current chair, Dave Schwickerath, was awarded with a Membership Hall of Fame award as he has sponsored 46 new members in just three years. Talk about leading by example! I was so pleased that Dave's passion for bringing more people into the family of Rotary won't stop just because he is no longer the chair. He is going to stay a part of the district membership team next year and I look forward to continuing to work with him to grow Rotary in our district. [more]

$400,000 Match To End Polio

By Bob Hagan

A generous donor in our state has committed $400,000 in matching funds to Polio Plus for any Georgia Rotarian that **gives at least $100** to help us eradicated polio between now and the end of the Rotary year. Your $100 gift will get matched by our donor, turning it into $200 and then the Gates foundation will double that gift making it $400. So for just $100, you can help us save 667 children around the world by providing them with the polio vaccine. Please consider giving at least **$100 to Polio Plus** and help us take advantage of this extra matching opportunity. [more]

DGE Steve Is Ready To Go!

By Gordon Owens

My wife, Ashley, has served as DGE Steve's chief hazing officer, as her brother is a West Point grad and Steve went to the Naval Academy. As a fun way to give Steve some advice as he prepares to lead our district in July, I had Ashley help me with some props in her Go Army, Beat Navy t-shirt. Read the full article to see how his Naval Academy background will help him lead our district in July. I wish Steve and his wife, Anna, along with all the district & club leadership the best of luck leading the way next year! [more]

Our 360 Photo Booth

It was cheaper to buy a 360 Photo Booth than rent one for the conference weekend. Check out the great time people had when they stopped by the 6900 Magic booth in the Hall of Friendship at the Georgia United District Conference. If you want to use the booth at your next event, reach out to me to make arrangements as there will be a small fee but a fraction of the cost of renting one. **Watch the 360 Video**

Congratulations to former Roswell Rotarian and current member of the Big Canoe Rotary Club, Don Rolader for winning the Rotavette Raffle. According to the **raffle rules** we needed to sell 1001 tickets to give away the car. We ended up with a pot of $22,500 to split between the winner and The Rotary Foundation. Thanks to all who purchased tickets and helped us raise some extra money for The Rotary Foundation and congratulations to Don who is $11,250 richer. [more]

Promoting Peace with a Simple Message

By Ada Wikina

Editor's Note: While this month's newsletter is focused almost exclusively on all the district conference news (we are saving club stories for our June edition), we felt this story belonged with this issue. Why? Because it highlights our focus on peace and the power of working together, across districts and clubs, to make a difference.

On April 91, the Rotary Club of north Cobb collaborated with the Rotary Club of Winder and its President Al Darby, as well as other Barrow area Rotary Clubs to celebrate the 25th anniversary of Apalachee High School by planting a Peace Pole in front of the school. This was followed by a sumptuous barbecue for over 250 staff, students, first responders, supporters and community members.

The Peace Pole was created by the students of Devereaux Advanced Behavioral Center (some of the most vulnerable children in our community). Its message - "May Peace Prevail on Earth".- was translated to the Cherokee language and Spanish, in addition to its English version.
