Continuing Our Support to End Polio

By Steve Ivory

This month, we will celebrate World Polio Day (October 24) and I hope that your clubs are planning special events and looking at how you can continue to support Rotary's efforts to eradicate polio around the world. During the recent Zone 33 and 34 summit in Jacksonville, I was able to attend a very special breakfast with Past RI President Stephanie Urchick and several other governors for agreeing to donate 20% of our district's designated funds to Polio eradication. Our contribution of over $57,000 will make a huge impact in our battle against polio. I got several photos and a signed invitation from Past RI President Stephanie. [more]

Our Rotary Foundation

"Money for Nothing? I Think Not"

By Bob Hagan

I think it is safe to say that as a society, we are fairly numbers driven when measuring how successful we've been on a project. Certainly, this is true of investors when analyzing year-end reports or the success of any fundraiser. A friend of mine reminded me of what his father always used to say. "Money may not be the most important thing, but it's way ahead of whatever is in second."

The Rotary Foundation raised more than $569 million this year - and we could certainly stop the discussion right there and pat ourselves on the back! But we can't - we're Rotarians and our motto really says it all when it says "Service Above Self." What's more important is what we do with those dollars to transform the world and our communities into something better. So let's take a closer look. [more]

Zone Summit: Spotlight on Leadership, Innovation and Global Challenges

By Steve Ivory

I wanted to share with all of you some of the learning, leadership, innovation, and fellowship opportunities that happened when Rotary leaders from across Zones 33 and 34 gathered in Jacksonville a few weeks ago for the highly anticipated Rotary Summit. The summit featured powerful presentations on Artificial Intelligence and its role in Disaster Relief, Peacebuilding initiatives, and the Kibeam E-Reader project. District Governor-Elect Cynthia Edwards and I were proud to represent District 6900, and proud of our district's active role in the summit's presentations. [more]

End Polio Now

Still Time to Create a Plan for World Polio Day – October 24!

by Wynita Cannon, District Polio Chair

By Wynita Cannon We're thrilled to celebrate **World Polio Day** with you! World Polio Day was established by Rotary International to honor **Dr. Jonas Salk**, who developed the first successful polio vaccine in 1955. It's a day to raise global awareness about polio, a crippling and potentially deadly disease, and to recognize the incredible progress made toward its eradication. How is your club planning to mark this important occasion? We're challenging each club to raise $1,500 for PolioPlus this year - and to create a plan for how you will celebrate World Polio Day! There's a contest with awards for Rotary District 6900's **Best World Polio Day Celebration** - submissions due by the end of the day, **October 24**. Read on! [more]

District 6900 Leaders Shine at the 2025 Emerging Leaders Conference

By Mandy Timmons

Jacksonville, FL was the host city for this year's Emerging Leaders Conference for Zones 33 and 34, bringing together Rotary's brightest future leaders for a week of learning, networking, and inspiration. Representing District 6900 were Area Governors and Sheffield Winners Amy Benton (Peachtree City) and Lisa Gelber (North Fulton). They joined "emerging" leaders from across the Southeast and Caribbean to prepare for future leadership opportunities in Rotary. [more]

Update from the Camino - “The Way” to Fight Polio

By Brad Groff

Hola from Logrono Spain, where this **East Cobb Rotarian** is taking a much needed rest day after a little over a week walking the Camino de Santiago. So far I have walked more than 160km (over 100 miles). The support from our Rotary family though my “Pilgimage Against Polio” fundraiser (**https://raise.rotary.org/Brad-Groff/challenge**) has definitely helped to keep my spirits up and motivate me to keep putting one foot in front of the other. A huge thank you to everyone who has contributed. *Editor's Note: Brad Groff has raised just over $10,000 so far for polio eradication.*

Big Tax Law Enhances Direct IRA Gifts – Qualified Charitable Donations (QCD)

By Lee Hollingsworth
Imagine a way to turn your retirement savings into a lasting legacy that brings health and hope to communities worldwide. With a Qualified Charitable Distribution (QCD), those aged 70½ or older can give directly from their IRA to The Rotary Foundation—satisfying required minimum distributions while sidestepping extra income taxes. This means your gift goes farther, supporting life-changing projects instead of slipping away to taxes. [more]

Roswell Shares Strategies for Launching Interact Clubs

By Becky Nelson
Launching a new Interact Club is truly a celebration. Why? It can take years to find the right people in the right roles at the right time with the right vision and energy. The **Rotary Club of Roswell** is thrilled that both Fellowship Christian High School and The Cottage School Middle School (two of our local private schools) have decided the 2025-26 academic year is the right year to add an Interact Club. With these new clubs, Roswell Rotary Club now has 14 active Interact Clubs.
