Celebrating The Rotary Foundation ... And All of You

By Cynthia Edwards

This is Rotary Foundation Month – an opportunity to celebrate the good work The Rotary Foundation (TRF) helps us to do in our local communities and around the world. You will see many examples of District 6900's involvement and support for TRF throughout this newsletter – from the events many of you sponsored for World Polio Day ... to the work being done in Ethiopia to prevent spina bifida and other serious birth defects ... to the joy of Rotary Youth Exchange.

I would like to take a moment to congratulate and thank District 6900 clubs who have been recognized by The Rotary Foundation for the generosity of their giving for the 2025-26 Rotary Year. [more]

Our Rotary Foundation

Foundation Month: Time to Celebrate "We Are Family!"

By Bob Hagan
November is Foundation month and we did some incredible work in District 6900 in 2025-26, so it's truly time to celebrate all our achievements! First let us celebrate that We are Family - a Rotary Family doing good in the world through our Rotary Foundation. In District 6900, there's a lot to celebrate about the year ending June 2026. Our Annual Fund goal for the District was $325,353. Not only did we achieve those numbers, we blew them out. We more than doubled them with $681,823 for a 209.56% performance. In addition, 55 of 65 clubs participated in Annual Fund giving. Polio Plus numbers for the year were $270,861.10. The Endowment Fund ended the year with contributions of $233,212.30. We weren't done yet as the "Other Funds" Category received $29,273.27 in contributions. And that doesn't even account for the amazing projects we are working on in our communities and around the world. [more]

District Conference 2027

Join Us in Asheville Next April

By Cynthia Edwards

We're headed to Asheville, NC from Thursday, April 22 to Sunday, April 25. The host hotels are the Embassy Suites and the Doubletree, located in downtown Asheville, both in the Hilton family of hotels. Asheville is a beautiful city nestled in the Blue Ridge Mountains - known for its creative spirit, deep roots, and steady mountain rhythms. And we'll have lots of fun and inspirational activities planned for you to enjoy! Use this link to **Register for the Conference** now. Early bird registration fee ends December 31, 2026. Think about hotels and costumes too. [more]

Be the Voice

Support Be the Voice Program in Our Schools

By Debbie Cwalina

Georgia schools are entering a new chapter in student-led prevention. With the passage of HB 268, schools across our state are being asked to designate student-led clubs to sustain awareness activities related to suicide prevention and violence prevention. At **Be THE Voice**, this is exactly the kind of work we have been building for more than a decade. **Take a look at the video** - then read the rest of the story to learn more about how you and your club can help.

From Georgia to Europe: GRSP Friendships Last a Lifetime

By Steve Ivory

Eight countries, thousands of miles, and friendships that know no borders! One of the most rewarding parts of my recent European adventure wasn't the incredible scenery, historic cities, or famous landmarks. It was reconnecting with former GRSP students and friends whose lives have intersected with ours through Rotary. Read on to learn more about what made my trip special ... and how you can be part of this amazing program. [more]

Power of Matching Makes Even More of a Difference

By Lee Hollingsworth
Education is one example of Foundation power. A reading child can question. Deception is harder. Most hate is taught to a mind that lacks anything better. Education crowds outs hatred. Health is another example. Health enables education and productivity. Clean water allows children regular school attendance. They work together. And in both situations, through our Annual Fund, Polio Plus and their matching progras, a gift multiplies into many times its size. [more]

End Polio Now

A Story of Promise: Writing the Final Chapter to End Polio!

By Bob Hagan

As all of you know, October was Polio Month and as I write this article, fresh in my mind is the incredible experience I had being a part of the Cornhole Tournament with my own Rotary Club of Roswell. Now to turn to the title of this month's article. It is a paraphrase of a flyer I received from the Rotary Foundation titled "The Story of a Promise," with the subtitle, "Help write the final chapter to end polio." It has a message for each one of us, about the importance of continuing this 40+ year commitment, to keep polio from again paralyzing the children of the world. [more]

A Focus on Peace

Charity Meets the Need. Equity Asks Why.

From Our District Community Service Chair

By Laura McConatha

Last month I shared a concept that has stayed with me since my Positive Peace Activator training: “Every Act of Service is an Act of Peace.” I promised that each month we would take a closer look at one of the Eight Pillars of Peace. So, let’s start with a pillar that touches nearly every project Rotarians undertake: Equitable Distribution of Resources. The Institute for Economics and Peace tells us that peaceful societies tend to ensure equity in access to resources such as education and health care, and to a lesser degree, income. Notice the key word: access. Equity is not the same as equality. Equality gives everyone the same thing. Equity asks what is keeping some of our neighbors from the basics the rest of us take for granted, and then works to remove those barriers. [more]

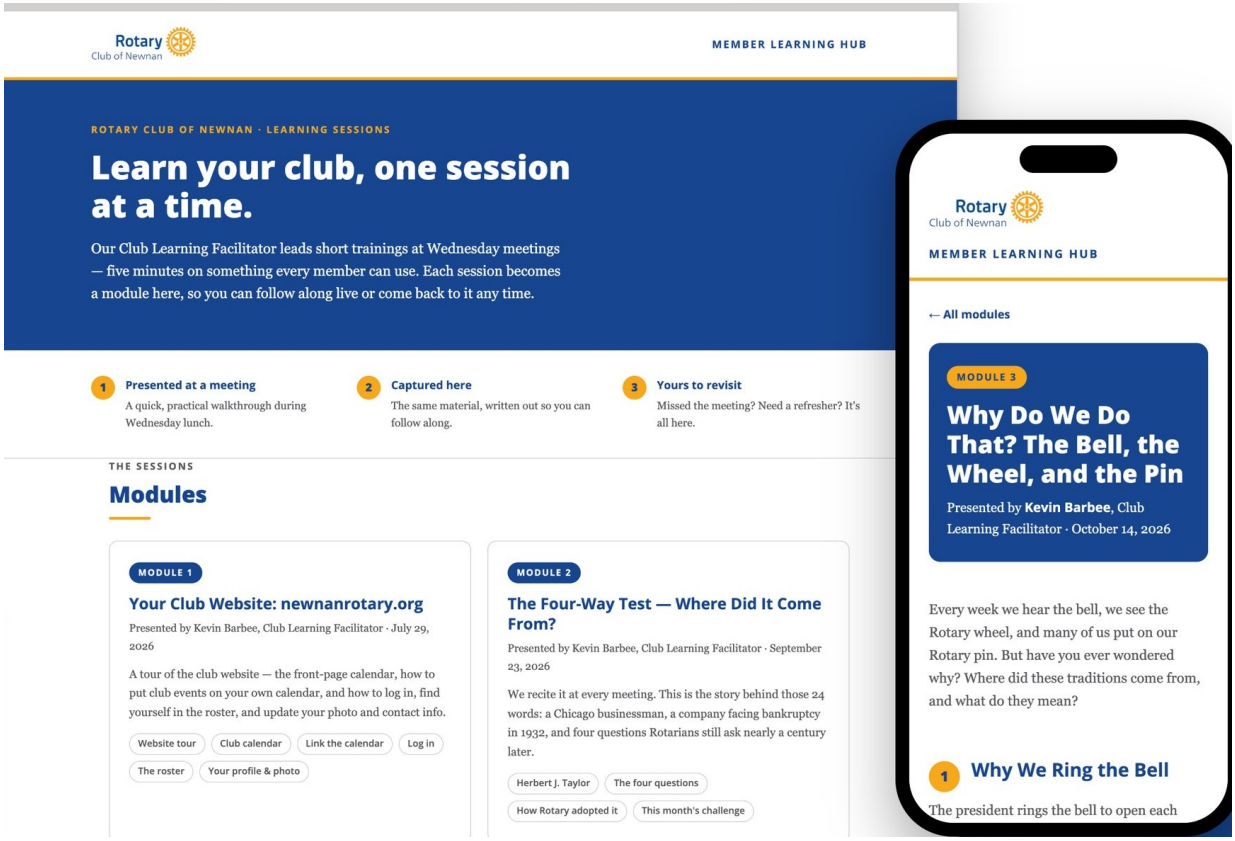

District 6900 Disaster Relief

Ready to Serve - A New Way to Provide Financial Support for Disasters

By Cynthia Edwards

Disasters across our region and around the world are becoming more frequent and severe. As people of action, District 6900 Rotarians are ready to respond with compassion, practical help, and hands-on service. We have identified a new way for individuals to make donations for disaster relief directly to the Rotary District 6900 Charitable Fund. Learn more.

Newnan Learning Moments: Five Minutes Before the Speaker

By Kevin Barbee

We recite the Four-Way Test at every meeting. But how many of us know where those 24 words came from? On September 23, I spent five minutes telling the **Rotary Club of Newnan** the story of Herbert J. Taylor, a Chicago businessman who wrote four questions in 1932 to steer a company facing bankruptcy. It was one of our learning moments, and the district has asked us to share how they work so other clubs can try them. I'm the club's Learning Facilitator. About once a month, at the start of a meeting and before the program speaker, I take five minutes to teach one thing every member can use. And then ... [more]

NAPA's Royal International Ball Returns, Bigger Than Ever

By Eryn Hopkins
Last year, **NAPA Rotary** hosted our first K-Pop Dance Party, and it turned out to be one of the most meaningful nights our club has ever put on. This November, that same event returns with a new name and an even bigger vision: NAPA's Royal International Ball: A Ball for All. NAPA's Royal International Ball is a sensory-friendly celebration built for students. We are actively seeking sponsors to help make this night possible for every student and family who walks through the door. [more]

North Columbus Hosts Dine to Donate Event

By Shamim Khan

On World Polio Day, the **Rotary Club of North Columbus** organized a very successful event to raise awareness about the Rotary polio eradication campaign and raise funds for the Rotary Foundation's Polio Plus fund. Our "Dine to Donate" event was hosted and generously sponsored by the Big Mama Vietnam Kitchen restaurant in Columbus, which donated part of their proceeds on that day to the Polio Plus fund. There were cards placed at each table informing the public about Rotary's polio campaign and how successful it has been in bringing the world on the verge of total eradication of polio.

Service, Leadership and the West End

A Conversation with Club President Chris Hempfling

By CJ Stewart

As President of the **Rotary Club of Atlanta West End**, Chris Hempfling believes service must remain at the heart of our club because it is at the heart of Rotary: Service Above Self. Service does not always require a grand gesture. Often, it is simply about showing up for a community need, a person or a population that could use support, and believing that your time, effort and presence can make a difference. Atlanta Streets Alive is a great example. [more]
