Give Yourself the Gift of Rotary

By Court Dowis

Every day as your District Governor, I have the opportunity to give myself the Gift of Rotary - spending time with the Rotarians of District 6900, whether it's enjoying breakfast or lunch at one of your weekly meetings or seeing the fine work you are doing to make our communities and the world a better place. This month has included:

• Celebrating the start of a new Rotary Club - the **RC of Atlanta Brazil** - as club #70 in the district
• Congratulating the **Rotary Club of Buckhead** on becoming a Million Dollar Club through their continued support of The Rotary Foundation
• Watching the growth of Rotary Means Business - giving indivdual members a chance to connect with each others' businesses and share their Rotary experiences across clubs
• Meeting with many of you at District Assembly in Columbus, Georgia last Saturday - as District Governor Elect Jim Squire and the district and club leaders for 2019-20 continue their preparation to lead and inspire us in the next Rotary year

Our district – specifically our members! – have a tradition of supporting The Rotary Foundation. It started here. We celebrated the 100th birthday of The Foundation here. We have history. This year we have done a great job of supporting PolioPlus. Thank you!! I now need your help to get our Annual Fund up to our normal levels. [more]

It's really difficult to put into words just how amazing this experience has been and I know whatever I write won't do it justice. To put it simply, applying for GRSP is one of the greatest decisions I have ever made and I am incredibly grateful for everyone who made this experience possible. [more]
